ADMINISTRATION

PRINCIPAL'S MESSAGE

Each year graduates from Armijo Union High School take their places with the alumni. Traditionally through the years these graduates have maintained high standards of success in all walks of life. Many of our students go to the colleges and universities to prepare themselves for successful careers in the professions. For this success we can be justly proud. To continue this excellent record you, each member of the Class of 1953, have an obligation to the alumni and your school to build an excellent record in your chosen field.

The course you intend to pursue in your life's work and the decisions you make, whether right or wrong, not only reflects upon you, but also reflects upon your school with credit or discredit.

As you enter the work of the world a thought worthy of note comes from the pen of Newell Dwight Hillis when he wrote: "Our world is a college, events are teachers, happiness is the graduating point, character is the diploma God gives." Accepting your responsibilities for the best within you means happiness and higher achievements for all.

Best of success to each of you!

During the past four years we, the present graduating class, have been preparing ourselves for the life which will follow. Perhaps the future hasn't always been thought of seriously, but now as the time draws near, the reality of the problems which we shall soon face become apparent.

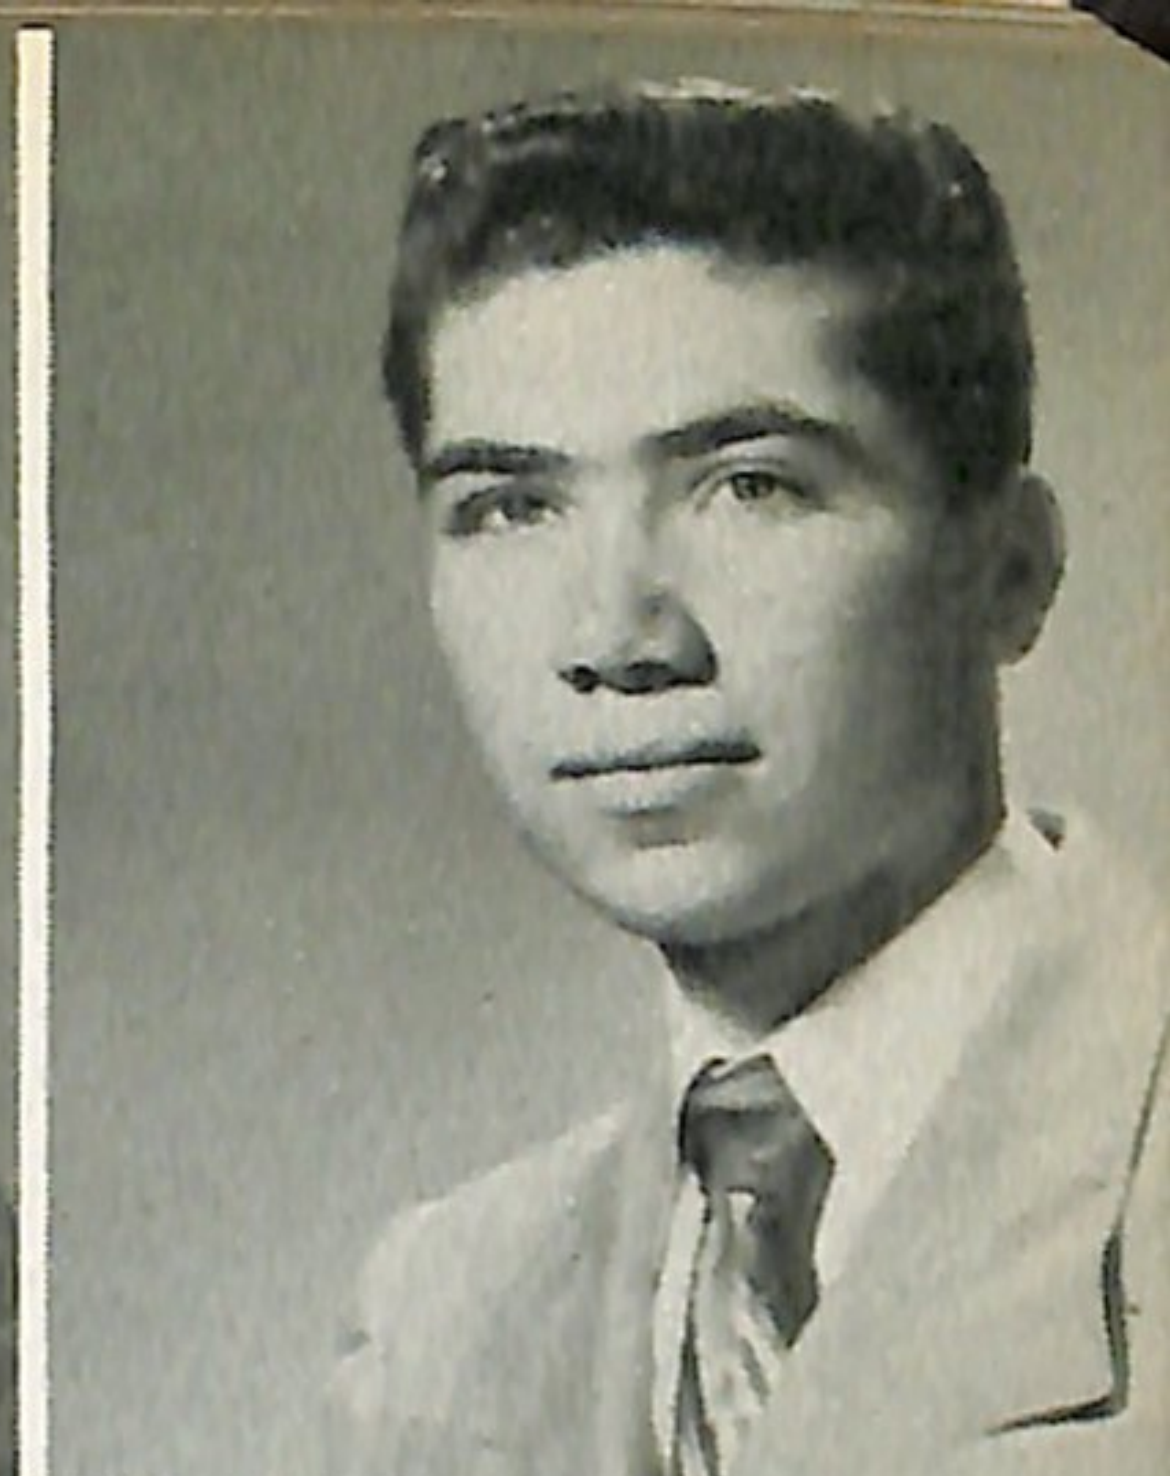

Each student will go his separate way; some, to higher education; others to jobs in various fields. But wherever we go and whatever problems we shall face, we shall always have pleasant memories of Armijo High.

MUSIC DEPARTMENT

The band is the biggest and best that Armijo has had in several years. Now that there are uniforms for members, the band not only sounds "super" but it looks "mighty super," too.

The year's highlights were the East-West game in San Francisco, the Spring Concert, and the California State Music Festival.

The Armijo Mixed Chorus is something new this year. It has come a long way since last September. The trained voices of the chorus added greatly to the success of the Spring Concert. The chorus also sang at the California State Festival, giving an excellent account of itself.

DRILL TEAM AND MAJORETTES

Left to right: J. Magnetti, W. Sheldon, J. Minakata.

The Drill Team and Majorettes have brought new and snappy routines to the games. These girls work very hard to add color and spirit to Armijo's games and should be congratulated for their inspiring work. They also march at various parades.

This year we have a drum major leading the band. Dressed in his new white uniform with gold trimmings, Warren Sheldon does a marvelous job as head major.

Kneeling, left to right: F. Kluck, E. Rogers, M. Jones, J. Kitchen, P. Trisler.

Standing: B. Gann, I. Nicholson, B. Bebe, S. Williams, W. Chapman, G. Eittreim, V. Simmons, G. Huffman, B. Standfill, V. Louis, M. Sierra, M. Conley.

YELL LEADERS

C. Anderson, C. Newcomb, J. Magnetti.

During the football season Jo-Ann, Cathy, and Colleen led the yells for Armijo. During the basketball season Melisse, Eleanor, and Cathy provided the direction for the school cheering section. In both cases there was plenty of reason to cheer. These girls did a swell job with their peppy spirit.

RALLY CLUB

Ham Actors

More ham actors

The main function of the Rally Club is to put on skits for the school rallies. There are, however, other activities in which the Rally Club participates, such as those of decorating the goal posts for games and marking off the bleachers for students and rooters.

This year a new system was adopted for appointing the members of the club. Two students from each class were appointed, and they in turn appointed different clubs, such as the Spanish Club, etc. to help with the skits for the rallies.

Last row: C. Wink, J. Magnetti, M. Jewett.
Second row: J. Kitchen, S. Maupin, C. Anderson, C. Newcomb, G. Huffman, A. Dunder, S. Scrivner.

Running behind the California "T" formation, the team came within one point of winning the League crown for two years in a row. Armijo will lose one of the finest lines that have ever played for the Purple and Gold when practically the whole first string line is graduated in June. Mainstays of the team are Bob Eaton and Gary Tonneson at Ends; Ed Serpas at Tackle; Harold Trivitt, Joe Nelson, Duane Richter at Guard; Carl Pullen, Fullback; and Mike Diaz, Quarterback. The team will also lose the services of Gerald Wheatley and Tom Smith who will have reached the age limitations.

COACH HOPKINS

The 1952-53 Championship Armijo A team was a powerhouse packed with clever ball-handlers, and a terrific scoring punch in the form of Mike Diaz, Northern California's top prep scorer, who racked up point after point to seal the doom of many a foe. Gary Tonneson, playing center, was also a top scoring threat. Ed Diaz a tricky ball handler and clever defensive player, faked many an opponent out of his socks. Homer Keefer, an expert passer set up the scoring plays. Ed Reeves, a guy with a good eye put his share of points in the record book. The team was backed by a fine bunch of reserves that could have provided a good first string for any team in the league.

"C" AND "D" BASKETBALL

The C's had only a fair season and ended up in 3rd place in league play with a record of 2 wins and 4 losses.

The D's met with tough luck in losing 2 of their 6 league games, both of them by only one point. However, their record was good for a second place in league standings.

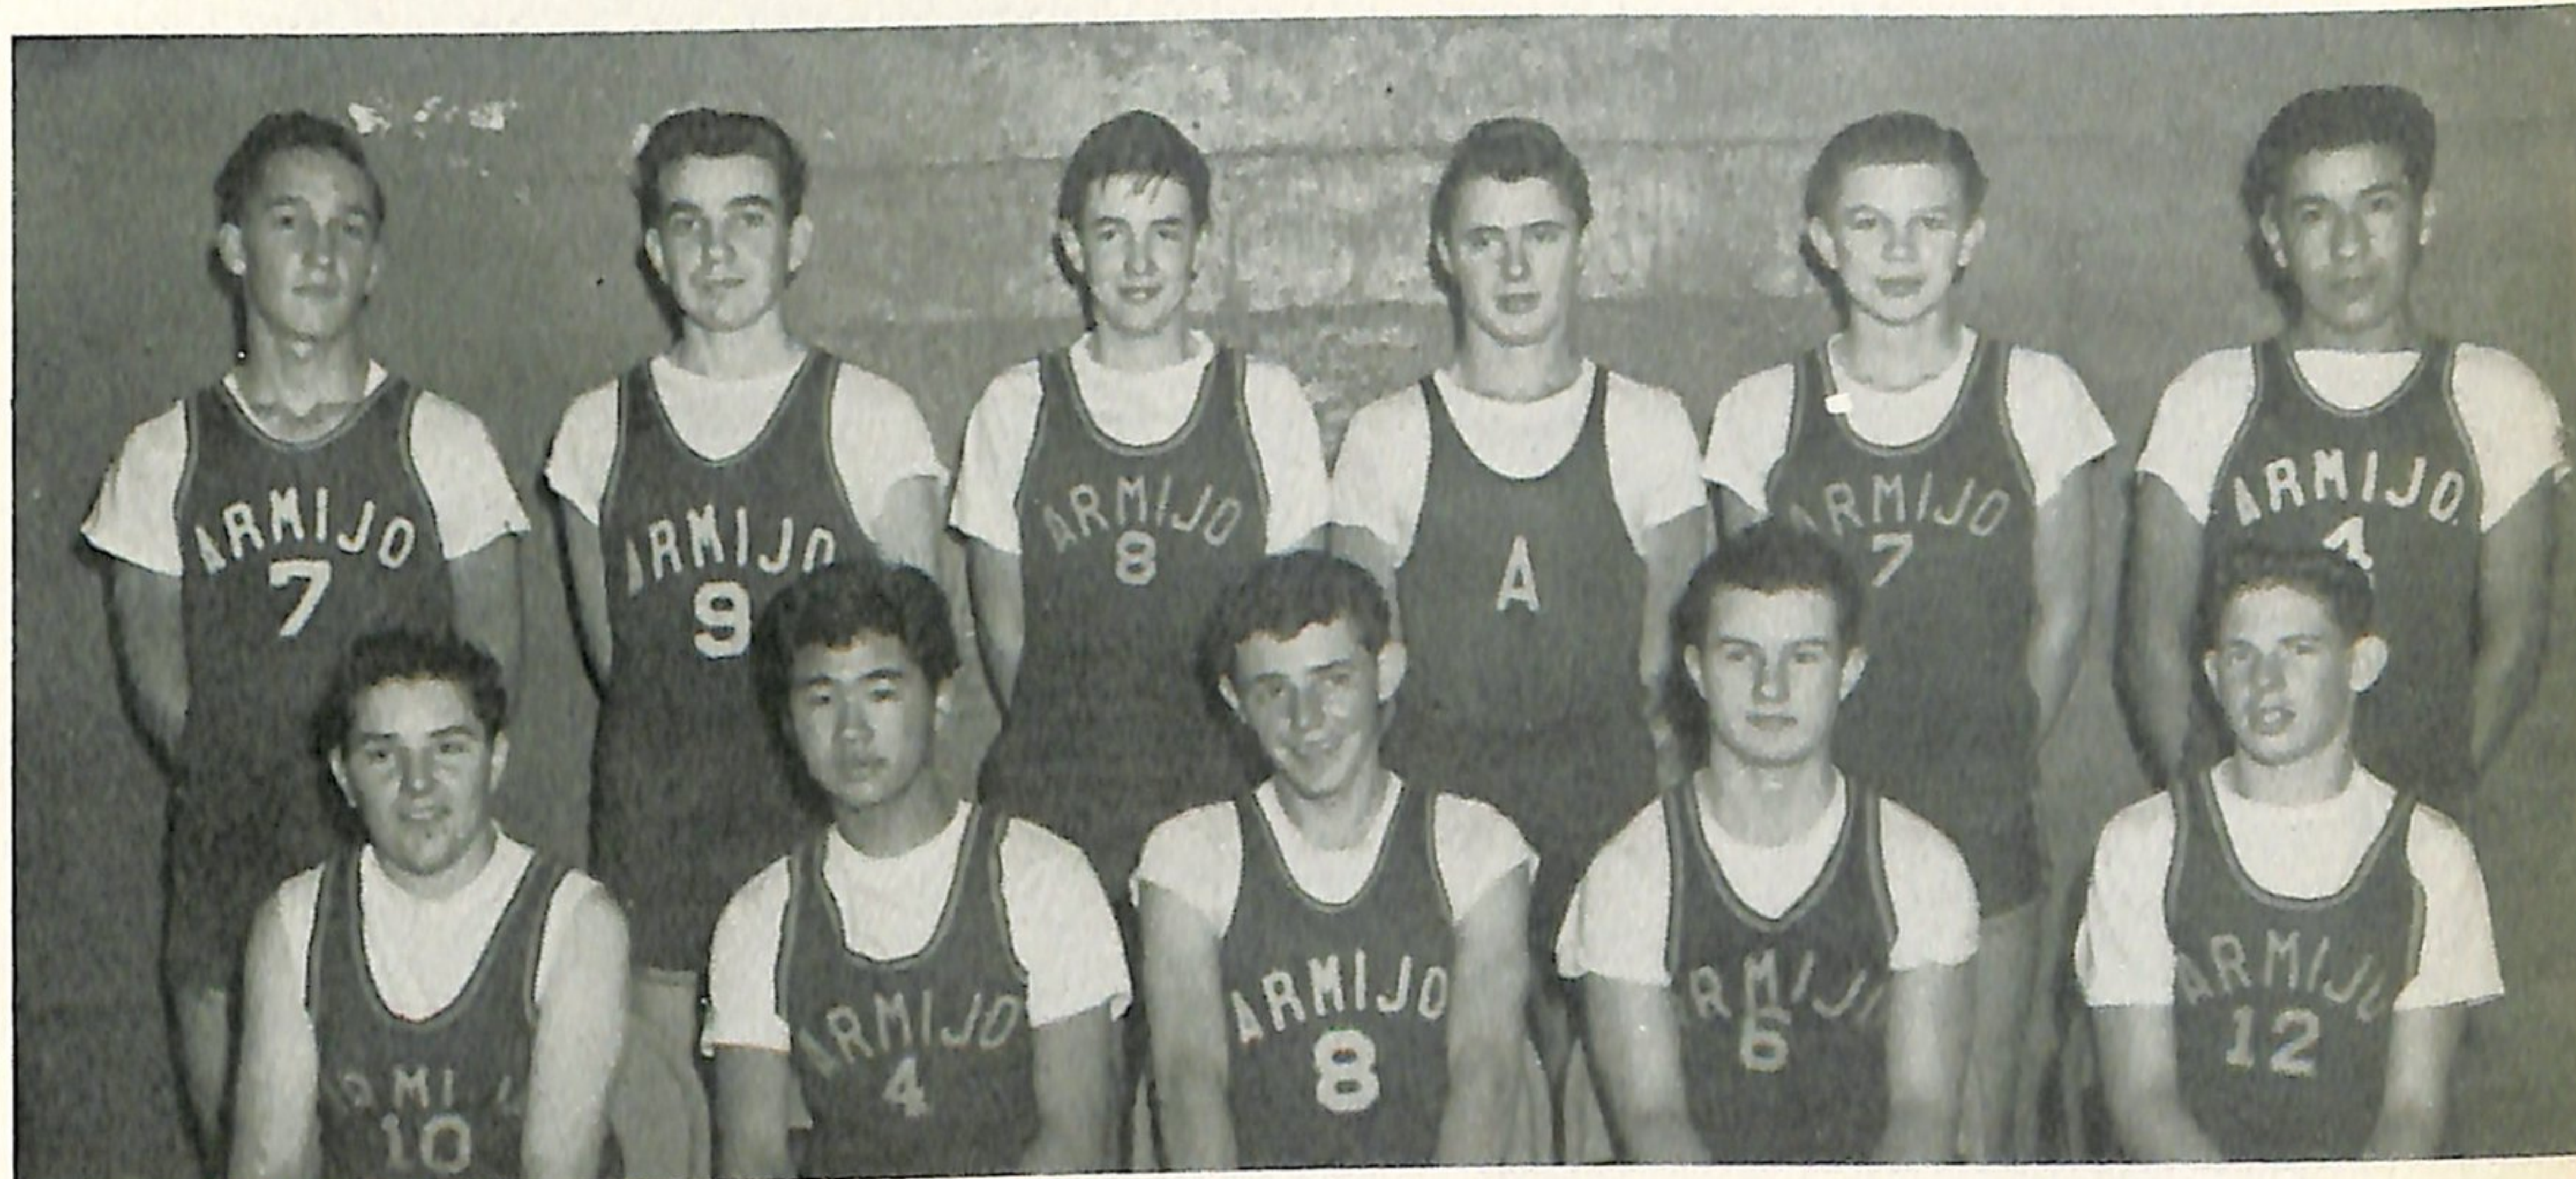

Special mentions go to Bill Letterman who graduated from the C's to the B's for his last game. High point man Bill Cupp, and defensive stars George Uchishiba and Joe Davis for the D's.

"A" TRACK

COACH DON ALLDREDGE

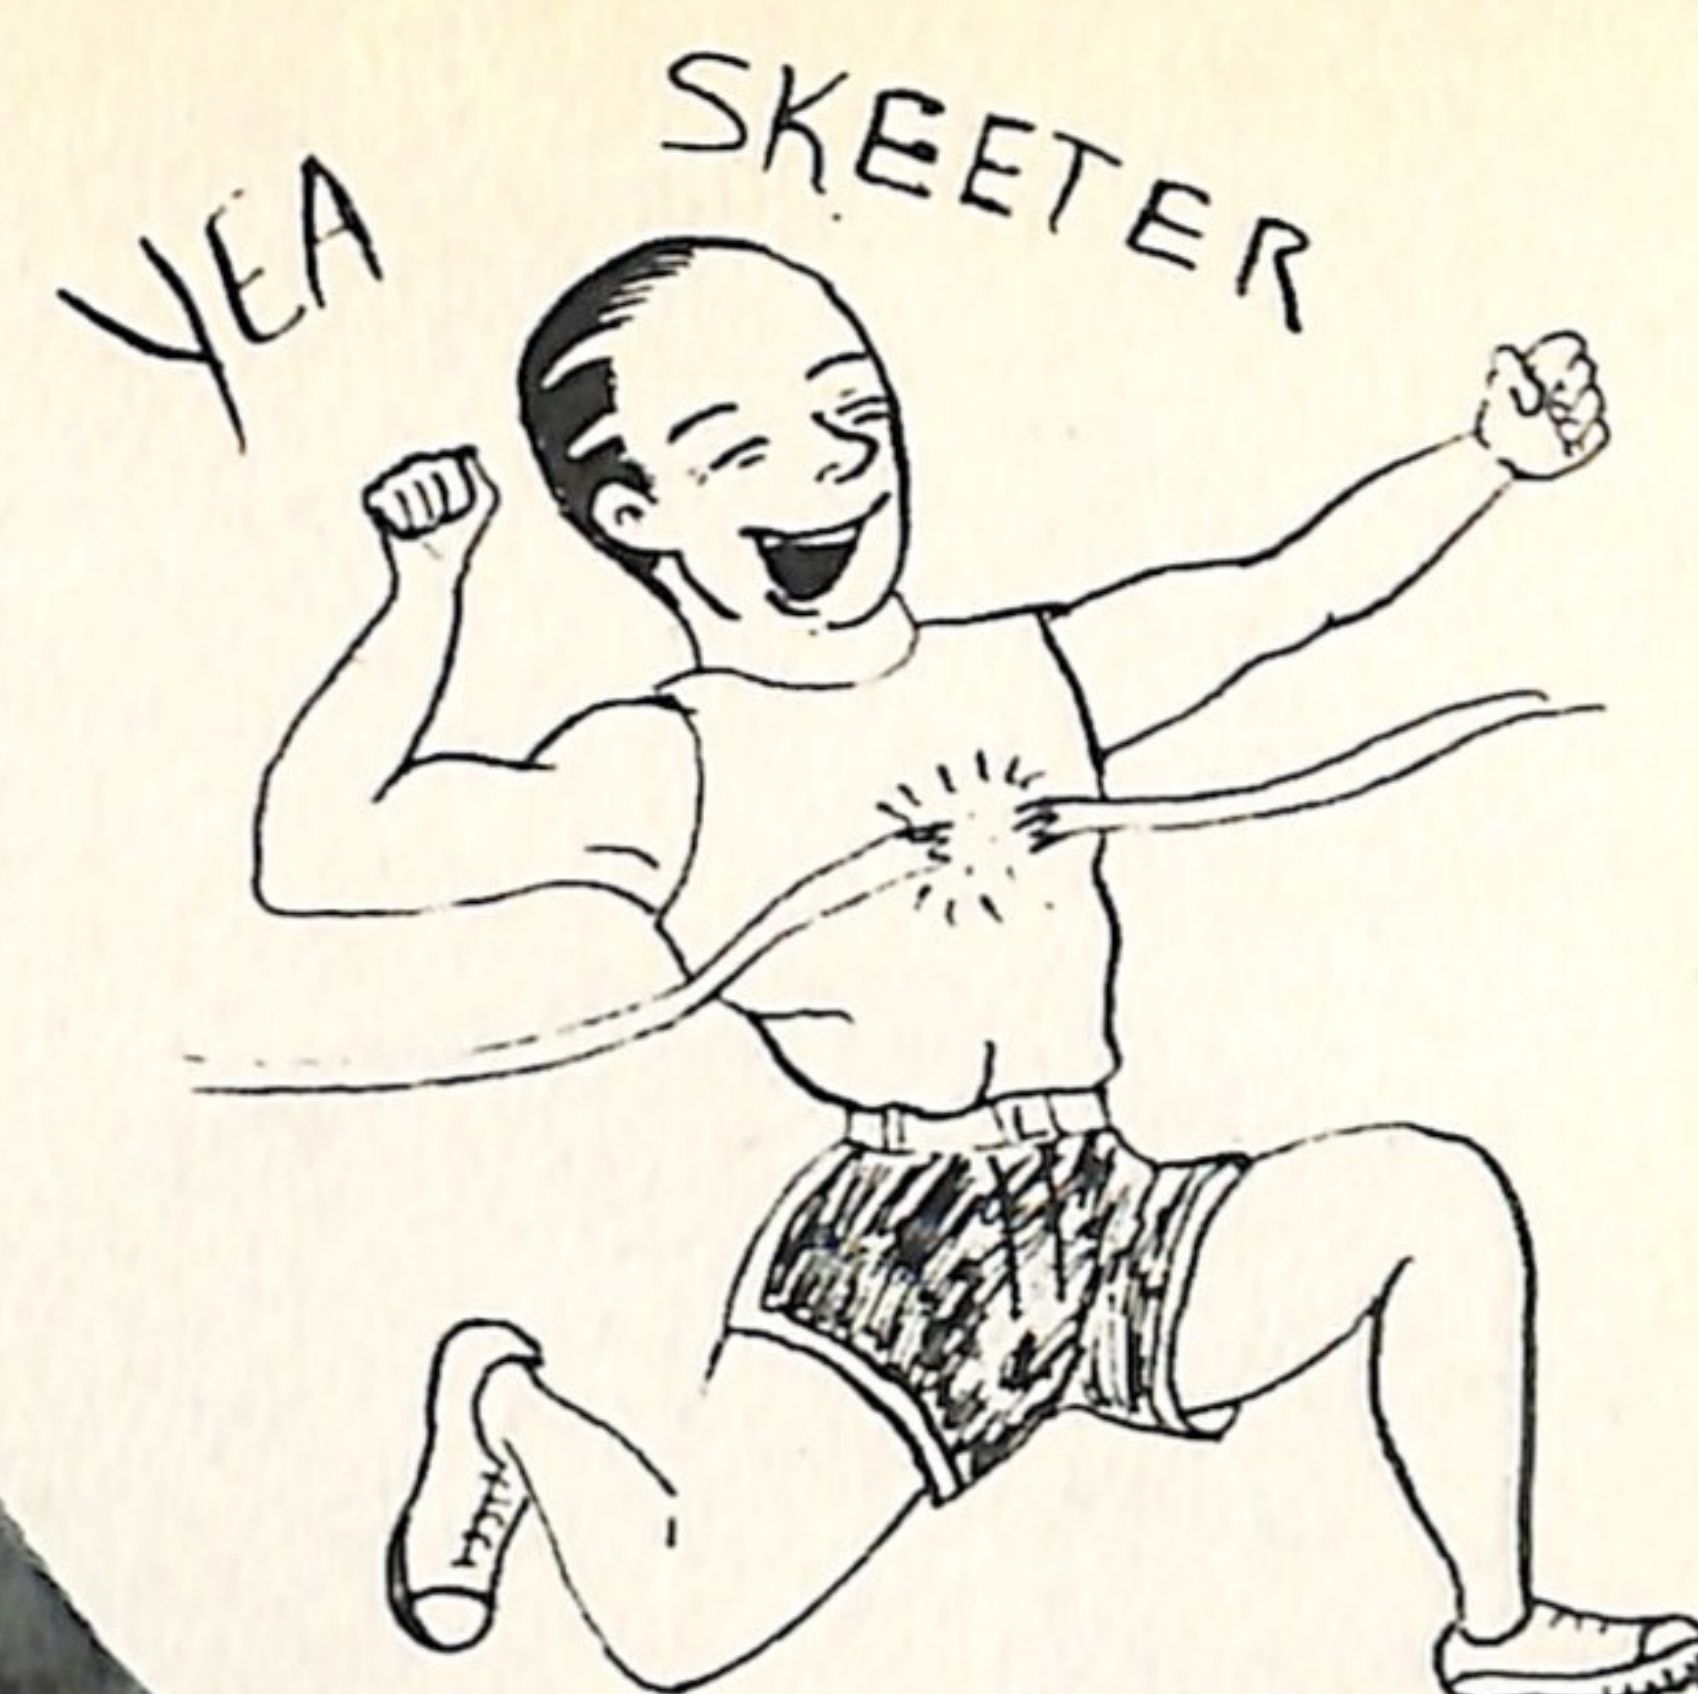

Due to the early printing of the La Mezecla the results of the 1953 track season are not available. The going will be rough this year with many of last year's lettermen having graduated. Among the best prospects are dashmen Kenny Hayes, Ronald DeBoyce and Lefty Richter, Carl Pullen in the broad jump and high jump and Bob Eaton in the distance runs. Others from last year's B team will lend support to the A's this year and may be the spark that will provide a championship outfit.

First row, left to right: E. Serpas, R. Pangburn, R. DeBoyce, G. Cardoza, B. Eaton, R. Robinson, J. Carnegie.

Second row: E. Casner, J. Border, J. Larimer, B. Bergman, K. Hayes, T. Loney, G. Blaisdell, M. Radford.

"B" TRACK

First row: B. Gaines, T. Armstrong, J. Gomez, B. Baker, S. Beverley.
Second row: R. Detar, F. Davis, D. Maupin, L. Maged.

The prospects for this year's B track team is still in doubt. There are very few holdovers from the previous year so at the early date of this writing no predictions are forthcoming.

EDDIE REEVES

HOMER KEEFER

La Mezcla has added a special page this year to pay tribute to Armijo's once in a lifetime basketball player, Mike Diaz. This is the second year Mike has been Northern California's top prep scorer. This year he has scored 690 points in 23 games, which adds up to 30 point average per game, an average pretty hard to beat. Mike's big game was against Benicia during which he scored 64 points. It takes more than one man, though, to make a basketball team. So to those fellows, his teammates, who saw to it that Mike got the ball in the right place at the right time, La Mezcla, also, pays tribute.
